Stories of Success **EDWIN HAWLEY**

Quiet, effective, but with a reputation for doing things, Edwin Hawley has fought his way through every step from measenger boy for the Erie Railway at four doilars per week to the presidency of a great railway system reaching from Maryland to the Gulf of Mexico.

Ability and faithful service won him promotion from post to post. Studying, planning and saving were the factors which counted for his success. His savings invested in railway stock, the good indement to choose wisely these investments, enabled him to wreat the control of the Alion from Harriman, perhaps the most important defeat suffered by that great organizer, making him a powerful factor in the industrial affairs of the country.

Money gives power. If you would make the most of life you must husband your resources. Where can you find more or better encouragement than through a savings account in this bank?

Banks Pay Interest on Money

If you deposit it with them for a given length of time, but we are going to pay you interest on money spent. This is the way we are going to do it:

We will give you a check upon which will be stamped the amount of your purchase, and whenever your purchases amount to \$2.50 or more we will refund in trade 4 per cent. of this amount. The only thing, to which this 4 per cent rebate will not apply is our line of patent medicines.

When this rebate is applied to the REXALL Preparations, we will allow 5 per cent.

Remember, 4 per cent on money spent in Drug Stores by the average buyer will be no small item at the end of a year. If you want to save this 4 per cent, trade at the Riley Drug Store and insist that the clerk give you your check with the amount of your purchase stamped on it.
